Dear friends in Christ,

I am delighted to share with you this catalog of resources that we hope will inspire disciples and empower evangelists. In these pages, you’ll find plenty of new books and other resources, along with products that have been around for quite some time.

You might notice a couple of themes here. We know there is tremendous power in engagement with scripture, and so we have lots of resources to draw people into the riches of the Bible. We also know that our liturgical life is crucial, so we have several resources on *The Book of Common Prayer*. Our hope is that you will grow as a follower of Jesus Christ. And we want to encourage and empower you to share the Good News of God in Jesus Christ with those who do not yet know him.

If you have questions about this catalog, or if you’re not quite sure what might work in your congregation, please do not hesitate to contact us. If you call, you’ll discover that a real live (and friendly!) human being will be glad to speak with you.

I often say that Forward Movement is not a publishing company, but that we are a discipleship company. This whole catalog is aimed at supporting you and your congregation in following Jesus. May the light of Christ shine brightly in your life.

Yours faithfully,

The Rev. Canon Scott Gunn
Executive Director

OUR MINISTRY

Inspiring disciples and empowering evangelists around the globe every day, Forward Movement has been producing excellent, innovative resources to encourage spiritual growth in individuals and congregations for more than eighty years.

A ministry of the Episcopal Church since 1935, we are best known for Forward Day by Day, a daily devotional providing meditations on scripture readings, and we continue to build on our history of encouraging discipleship and evangelism.

Today we offer books and eBooks for small groups or individual study, as well as prayer resources, Christian formation courses, leadership events, Spanish and bilingual resources, pamphlets, downloadable resources, daily podcasts, apps for smartphones or tablets, and online engagement opportunities.

Forward Movement donates more than 100,000 resources for Bible study, daily reflection, and spiritual nourishment each year to prisoners, hospital patients, and nursing home residents in fifty countries around the globe.

Our ministry is made possible through generous donations, grants, and product sales.

YOUR SUPPORT

“Each day, I pray for your ministry.”

“Thank you for your ministry to our troops. It means so much.”

“You are ‘ministry multipliers’ for us in ways both profound and unexpected.”

“Please accept this ‘shared tithe’ toward your ministry.”

Many of you know Forward Movement as the publisher of Forward Day by Day. You probably know that we publish books and curricula to help each of us to be better disciples. What you might not know is that we are a self-sustaining ministry of the Episcopal Church: This means the sales of our resources and the freewill offerings of people like you are what keeps our ministry thriving.

The most important part of our ministry is YOU!

Many, many generous donors allow us to say “yes” when a military chaplain or person in prison writes to us asking for daily spiritual growth and guidance. Our donors help us say “yes” to hospital patients and memory care residents who need to know that someone is thinking of them and their spiritual needs. God created us all in God’s image, and our ministry helps us to remind those who might have forgotten that God loves them abundantly.

Please join our ministry with your gift!

Revive is a discipleship program to help active lay leaders—wardens, property and finance officers, committee chairs, vestry members, church school teachers, youth ministers, pastoral visitors, and liturgical ministers—grow in confidence as spiritual leaders. Revive is about transformation through spiritual formation.

This small-group program transforms leaders of practical church ministry into confident spiritual leaders who love God and participate in Christ’s ministry. Lay leaders join their ordained minister in a safe, small-group setting, where they gain confidence in praying, understanding scripture, and developing their sense of call. They will be able to share their spiritual experiences and grow in intimacy with God as a follower of Jesus.

All video and written material is downloadable and can be run as either an integrated 10-month program or as separate and independent small-group workshops. Save printing time with pre-printed Participant Guides (optional, see below).

Program cost: $299 | #2497
Includes downloadable and printable Facilitator & Participant Guides (PDFs) and access to corresponding videos for each session.

Helping churches focus on spiritual growth

RenewalWorks helps churches (and the individuals in them) refocus on spiritual growth and identify ways that God is calling them to grow.

The RenewalWorks process begins with an anonymous, confidential, online survey (we call it the Episcopal Spiritual Life Inventory) taken by congregants, exploring that individual’s spiritual life. Individual responses are combined and viewed as a group, providing a snapshot of the spiritual vitality of the congregation based on research from more than 1,800 churches (of all denominations) and almost 500,000 congregants.

Next, along with staff from RenewalWorks, a congregational team is gathered to delve into the specifics of the inventory data over four guided workshops. This group contemplates the following questions, one at each workshop:

1. Where have we been?
2. Where are we now?
3. Where do we feel called to go?
4. How will we get there?

Specific outcomes of the RenewalWorks process are unique to each congregation, reflecting that community’s specific challenges and opportunities. They lead to the creation of specific congregation-wide growth initiatives that clarify and elevate expectations for clergy, lay leaders, and individuals.

Program cost: $500
(Includes the Spiritual Life Inventory and findings, program materials, and RenewalWorks staff support)

A CHURCH-WIDE BIBLE READING INITIATIVE

The Good Book Club offers an opportunity to dive deeply into scripture and create a daily practice of engagement with God’s Word. It’s easy to join the Good Book Club: Just open your Bible and start reading!

The Backstory
Forward Movement, along with partners from across the Episcopal Church, began the Good Book Club in 2018 with a church-wide reading of the Gospel of Luke during Lent and continuing through Eastertide with the Book of Acts. In early 2019, the Good Book Club continued with a reading of St. Paul’s letter to the Romans. Tens of thousands have joined the journey, utilizing resources developed by partnering organizations, in small groups, on their own, or with their entire congregation.

Why read the Bible?
People who read scripture with an open heart grow in faith through their encounter with the sacred stories of the Bible. We know this to be true in our personal experiences – and we have research to back it up. RenewalWorks, a Forward Movement research-based initiative, has data from nearly half a million participants that identify scripture engagement as a key catalyst for spiritual vitality in congregations and for individuals. In other words, if you want to grow and strengthen your faith, reading scripture is the perfect exercise.
What are we reading now? JOIN US ANYTIME!
The Good Book Club returns for a third year with the Gospel of John during Epiphany 2020. We’ll read the compelling account—inspired by “the disciple whom Jesus loved”—during the time from Epiphany through Shrove Tuesday. Of course, we are familiar with the most famous verse of John 3:16, but our Good Book Club focus gives us an opportunity to read the extraordinary gospel from start to finish. We’ll hear stories only heard in John: Jesus turns water into wine at the wedding of Cana, encounters the woman at the well, and raises Lazarus from the dead. The spiritual Gospel of John uses beautiful poetry: Jesus as the bread of life and as the vine. And it’s in John that we hear the great I AM statements.

How does it work?
The readings are divided in advance, and available for download at GoodBookClub.org. Each day, participants are invited to read, reflect, and pray upon a few verses of the chosen book of the Bible. Forward Movement and many partners from across the Episcopal Church will provide resources to support you on the journey; Bible study guides, books, blogs, videos, podcasts, and more.

Partners
Past and current partners include: the Episcopal Church, The Living Church, FORMA, Episcopal Church Foundation, United Thank Offering, the Office of Latino Ministries, ChurchNext, RenewalWorks, Episcopal Relief & Development, Invite Welcome Connect, Building Faith, The Center for Biblical Studies, Gathering of Leaders, Missional Voices, Episcopal Migration Ministries, GrowChristians.org, and more.

Sessions correspond to the chapters in the course companion book The Path (pg. 19).

**EXPLOREMOS LA BIBLIA**

*Melody Wilson Shobe*

La Biblia a menudo nos atemoriza—especialmente por su tamaño y lo difícil que es entenderla. Del Génesis al Apocalipsis, estas 26 lecciones de formato sencillo recorren la vasta historia del amor extraordinario que Dios siente por mí y por ti.
“There is nothing quite like the actual words of the Bible that tease, subvert, offend, and empower. Here they are! These careful excerpts transverse the Bible from an externally regarded totem to an actual living, compelling script.”

-Walter Brueggemann, Old Testament scholar and renowned theologian
Most vibrant and growing churches share one thing in common—they have a strong commitment to teaching and reading the Bible.

There is a big difference between attending church and listening to a portion of the Bible and actually reading the Bible on your own. Understanding how the entire Word of God coheres and what God is saying to you daily through Holy Scripture is a transformational experience.

The Rev. Marek P. Zabriskie, founder and editor of The Bible Challenge, believes that our lives of faith will be enlivened and expanded by a sustained encounter with God’s Word. Join the journey with this scripture engagement series.

In essays both humorous and achingly vulnerable, author and Episcopal priest Ryan Casey Waller urges us to join him in pouring out our brokenness, not just to God but to each other. Through Jesus, our brokenness is blessed, our wounds healed, and our hearts made whole.

“Dick Schmidt’s thoughtful, vulnerable and insightful meditations on classic hymns open doors to the kind of inspiration that moved the original writers.”

- The Rev. Dr. Francis H. Wade, author of The Art of Being Together, Transforming Scripture and Biblical Fracking: Midrash for the Modern Christian

Some hymns simply have an extra sprinkling of divine magic. Richard H. Schmidt offers meditations on forty classic hymns that remind us of a faith shared by generations before and with generations to come.

“Dick Schmidt’s thoughtful, vulnerable and insightful meditations on classic hymns open doors to the kind of inspiration that moved the original writers.”

- The Rev. Dr. Francis H. Wade, author of The Art of Being Together, Transforming Scripture and Biblical Fracking: Midrash for the Modern Christian

Guides readers through the wisdom, creation, and application of their own Rule of Life, an ancient method for building soul memory and reminders of the person we hope to be through our life.

In this powerful and poignant memoir, South African Archbishop Thabo Makgoba recounts his ministry of prayer and presence in the final years of Mandela’s life—and how, time and again, the politician taught the pastor about ministry.

The ancient story of David and Goliath still speaks to us, offering spiritual guidance and reassurance that God is with us always, even and especially when we face and slay our giants.

Can you have fun in Lent? Yes, if you play along with Lent Madness – a basketball-inspired holy competition to see which of 32 saints earns the coveted Golden Halo. While it all seems very frivolous, you’ll learn about the saints along the way. By the time Holy Week comes along, you’ll see how God works in the lives of ordinary people to shine the light of Christ’s love in a world in need of hope.

Bloggers provide biographies to help fans choose which saint they’ll vote for each day throughout Lent. Sixteen saints make it to the Round of the Saintly Sixteen; eight advance to the Round of the Elate Eight; four make it to the Faithful Four; two to the Championship; and the winner is awarded the coveted Golden Halo! The first round consists of basic biographical information about each of the 32 saints. Things get a bit more interesting in the subsequent rounds as we offer quotes and quirks, explore legends, and even move into the area of saintly kitsch.

Through the humor and online communion, Lent Madness helps us to get to know some amazing people who have come before us in the faith and reminds us that there’s no reason for a dreary Lenten discipline.
